Sirs:

DECLARATION IN SUPPORT OF PETITION UNDER 37 C.F.R. 1.183

I, Brooks W Taylor, Affiant herein, hereby state and declare as follows:

- 1) I am a registered patent attorney, Registration No. 52,276.
- 2) I have been granted a full Power of Attorney by the signing inventor, Karol Freed, and the Assignee, Shomi Technologies Corporation.
- 3) Upon information and belief, Karol Freed and the non-signing joint inventor, Randy Burnworth, executed separate Assignments in which Mr. Freed and Mr. Burnworth assigned all

rights to the invention disclosed in the specification and recited in the claims of the above-identified patent application to Shomi Technologies Corporation (hereafter, simply "Shomi").

4) Upon information and belief, the invention disclosed in the specification and recited in the allowed claims of the subject patent application was jointly invented by Mr. Freed and the non-signing joint inventor, Mr. Burnworth. Only Mr. Burnworth was named as inventor of the invention recited in the claims as originally filed in the application, however, amendments to the claims made during prosecution of the application, to obtain allowance, necessitated the addition of Mr. Freed as an inventor in the application.

5) Upon information and belief, during the prosecution of the subject patent application, Mr. Burnworth left the employ of Shomi.

6) Upon information and belief, after Mr. Burnworth left Shomi, Mr. Boyd Taylor, the President of Shomi, sent emails to Mr. Burnworth during the period January 5, 2010, through January 11, 2010, attempting to obtain Mr. Burnworth's signature on a replacement Declaration.

7) Upon information and belief, during the period January 11, 2010, through January 18, 2010, Mr. Boyd Taylor attempted to reach Mr. Burnworth at his home telephone and cell phone numbers, as well at his wife's cell phone number. During that period, Mr. Boyd Taylor also called Mr. Burnworth's previous employer in an unsuccessful attempt to obtain a current address. During that period, Mr. Boyd Taylor also called family members of Mr. Burnworth, leaving messages for Mr. Burnworth to contact either Mr. Boyd Taylor or the undersigned representative of Shomi.

8) On April 23, 2010, the undersigned sent a letter (Letter #1) by certified mail, return receipt requested, to Mr. Burnworth's last known address, 3024 Gagster Drive, Apt. A, Denton, Texas 76207, enclosing copies of the complete application papers, the allowed claims, and the replacement Declaration. The cover letter requested Mr. Burnworth's signature on the replacement Declaration. A copy of that cover letter is attached hereto. On May 17, 2010, the letter was returned, marked "No Such Street." A copy of the returned envelope is attached hereto.

9) On April 23, 2010, the undersigned sent a letter (Letter #2) by certified mail, return receipt requested, to Mr. Burnworth at an address found on the Denton County tax rolls: 2915 Augusta Drive, Apt. A, Denton, Texas 76207. This letter also enclosed copies of the complete application papers, the allowed claims, and the replacement Declaration. The cover letter requested Mr. Burnworth's signature on the replacement Declaration. A copy of that cover letter is attached hereto. On May 3, 2010, the tracking page at the U.S. Postal Service Web site indicated that delivery had been attempted unsuccessfully on April 24, 2010, and a notice left. A copy of the tracking page is attached hereto. As of the date of filing this petition, Mr. Burnworth has not collected the package from the Post Office indicated on the notice.

10) On May 11, 2010, the undersigned re-sent Letter #1 by FedEx Standard Envelope – Direct Signature Required service to the Gagster Drive address, with tracking number 798653664418. On May 12, 2010, delivery was unsuccessful, with the notation "Incorrect address – Street name/number." A copy of the tracking page at the FedEx web site is attached hereto.

11) On May 11, 2010, the undersigned re-sent Letter #2 by FedEx Standard Envelope – Direct Signature Required service to the Augusta Drive address. On May 12, 2010, delivery was unsuccessful, with the notation “Incorrect address – Recipient moved.” A copy of the tracking page at the FedEx web site is attached hereto.

7) To date, all attempts to contact Mr. Burnworth have been unsuccessful. As such, the undersigned submits that Mr. Burnworth cannot be found or reached after diligent effort.

8) I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are also believed to be true. I am aware that willful false statements and the like are punishable by fine or imprisonment, or both (18 U.S.C. §1001) and may jeopardize the validity of the application or any patent issuing thereon.

Re.: United States Patent Application Serial No. 10/665,930 for "SWITCHED INPUT VIDEO DEVICE"
Our File: TAYL08-00002

Dear Mr. Burnworth:

We are patent counsel for Shomi Technologies Corporation (Shomi) and are prosecuting U.S. Patent Application No. 10/665,930, titled "Switched Input Video Device," for Shomi. Because of amendments to the claims of the application that were made to obtain allowance of the claims, the claims now recite not only the switched input elements of the invention, but also the functionality of the video improvement circuit.

It is our understanding that both you and Karol Freed contributed to the conception of the invention as now claimed in the application and, therefore, a new Declaration and Power of Attorney document must be filed with the U.S. Patent Office, naming both you and Mr. Freed as inventors in the application. We have attached a copy of the new Declaration document, along with copies of the complete application papers and the allowed claims.

Please review the application and allowed claims and sign the new Declaration document, so that we can file the signed document with the Patent Office. Please mail the signed document to me at the following address:

Munck Carter LLP
attn: Brooks Taylor
12770 Coit Road, Suite 600
Dallas, TX 75251

If we have not received the Declaration document by Wednesday, May 5, 2010, we will consider your lack of response as a refusal to sign and will proceed with Patent Office procedures that enable Shomi to change inventorship in the application without your signature, in light of your refusal.

We are patent counsel for Shomi Technologies Corporation (Shomi) and are prosecuting U.S. Patent Application No. 10/665,930, titled "Switched Input Video Device," for Shomi. Because of amendments to the claims of the application that were made to obtain allowance of the claims, the claims now recite not only the switched input elements of the invention, but also the functionality of the video improvement circuit.

It is our understanding that both you and Karol Freed contributed to the conception of the invention as now claimed in the application and, therefore, a new Declaration and Power of Attorney document must be filed with the U.S. Patent Office, naming both you and Mr. Freed as inventors in the application. We have attached a copy of the new Declaration document, along with copies of the complete application papers and the allowed claims.

Please review the application and allowed claims and sign the new Declaration document, so that we can file the signed document with the Patent Office. Please mail the signed document to me at the following address:

Munck Carter LLP
attn: Brooks Taylor

If we have not received the Declaration document by Friday, May 21, 2010, we will consider your lack of response as a refusal to sign and will proceed with Patent Office procedures that enable Shomi to change inventorship in the application without your signature, in light of your refusal.

If you have any questions, please contact me at 972-628-3635. Thank you for your help in this matter and I look forward to receiving the signed Declaration document.
